Agenda: Alumni Meet

Date: 05-10-2021

An interactive meet of the staff and college alumni association Udaan was held in the college campus. The invitation of this meet was sent via Whatsapp alumni. This was the first meet of the year as the earlier part of the year was marred by resurgence in Covid-19 cases and the subsequent closure of institutions for in-person teaching. These meets serve as a platform for the interaction as well as counselling of alumni. Through this meet the alumni were made aware about the progress made by the college in terms of infrastructure augmentation as well as enhancement of courses. The college administration congratulated one of its alumni Khalida Bano, who unfortunately could not make it to meeting due to some personal reasons, for publishing a book titled Qissay-e-Qalb in August 2021. Furthermore, the suggestions of the alumni regarding the development of the college are always welcomed by the institution. The meeting culminated with Prof. Rayees Ahmad Magrey, Coordinator IQAC, wishing good luck to alumni for their future endeavours.
