One-Day Career Counselling Workshop with Chanakya IAS Academy

Psychological-cum-Career Counselling and Placement Cell of the college in collaboration with Chanakya IAS Academy, Delhi organised a career counselling workshop on 31-03-2022. The keynote address was delivered by Prof. Ankit Bajad of IIT Kharagpur, currently working with Chanakya IAS Academy. Prof. Bajad talked about the preparations that a Civil Service aspirant has to go through while preparing for a Civil Service exam. Having passion and keeping oneself motivated was the key to success according to Prof. Bajad. Prof. Bajad highlighted the fact that many prepare for Civil Services but are not able to qualify it due to lack of guidance. He put his onus on the fact that reading NCERT and local dailies was imperative for any Civil Service aspirant. The session was moderated by Charanjeet Kaur of Chanakya IAS Academy. The programme was a fruitful exercise as it was attended by over 100 students.

Report on Environmental Week

The Department of EVS in collaboration with college NSS Unit, Department of Bioscience and UBA /EBSB Club organised a week long programme from 1st June 2022 to 6th June 2022 to celebrate the environmental week 2022.

Following activities were organised during the programme:

- The programme started with a campus cleaning drive on 1st of June in which 63 NSS volunteers participated.
- On 2nd of June, an environmental quiz competition was held in which four teams comprised of two members each participated. The teams were named as Jehlum, Chenab, Indus and Sukhnag. The quiz competition was won by Team Jehlum comprising Shafiya Bashir and Seerat Hameed.
- On 4th of June, an environmental awareness rally was organised from Sohpora to Malik Mohalla (Kupwara) via Sulkoat. About 65 students participated in the rally and displayed placards and posters to sensitize the people about different environmental issues.
- Finally, the programme culminated on 6th June with a seminar under the theme "Only One Earth." Dr. Asrar Amin Khan, faculty Department of Zoology and Dr. Rayees Ahmad Magray, Assistant Professor EVS delivered exhaustive powerpoint presentations and enlightened the audience with astute scholarship and their academic acumen. Two students of the college namely, Uzma Asadullah (3rd Semester) and Shahida Shafi (3rd Semester) also delivered presentations on the aforementioned theme. The seminar was moderated by Dr. AB. Rashid Teli, faculty Department of Chemistry.
- During the valedictory session, Dr Ab Rashid Teli presented the vote of thanks to the organizers and participants of the programme. Special thanks were made to the college Protocol committee for arranging refreshment for the participants of the various activities of the programme.

Report on Seminar

NSS unit of the college in collaboration with EBSB Club/UBA Cell/Department of Political Science and Debates and Seminars Committee organised a seminar on 11-06-2022 titled "**Role of Women in Nation Building**" under the banner **Beti Bachao, Beti Padhao**. The programme started with the recitation of Quran by Dr. Majid-ul-Islam, faculty Department of Islamic Studies. The recitation of Quran was followed by Natiya Kalam by Shazmeen Dar, a student of BA 3rd Semester. Dr. Basharat Nazir Reshi, faculty Department of Political Science delivered the keynote address on the occasion. Dr. Basharat talked about the role of women in nation building from the days of Gandhian freedom struggle. He mentioned different women like Vijya Laxmi Pandit, Sarojini Naidu who played an important part in the freedom struggle of India. The keynote speaker mentioned many thinkers like MK Gandhi and Swami Vivekananda who have also highlighted the role of women in nation building. He spoke about different women who act as inspiration for millions of women in India, notable among these are: Sania mirza, Mithali Raj, Kiran Bedi, PV Sindu, Saina Nehwal etc.

The keynote address was followed by student presentations. Students from different semesters presented their pieces on the occasion and expressed their ideas on the given theme. The programme was moderated by Shafiya Showkat, a student of BG 3rd semester who also presented the vote of thanks before wrapping up the programme. Over 100 students attended the programme and a light refreshment was served to all.

Report on International Day against Drug Abuse and Illicit Trafficking

NSS unit, Debates and Seminars Committee of the college and UBA Cell in collaboration with the Department of Chemistry organised a seminar on 25-06-2022 to observe the International Day against Drug Abuse and Illicit Trafficking. Every year, the day is observed on 26th of June to spread awareness about the physical and psychological impacts of substance use, drug overdose deaths, and drugs-related problems. Moreover, the day is also celebrated with an aim of creating a drugs-free society.

The programme started with the recitation of Holy Quran by Shazmeen Bano, a student of BG 4th Semester. The recitation of Holy Quran was followed by the recitation of Naát by Amina Bano, a student of BG 3rd Semester. Thereafter, Dr. Abdul Rashid Teli, faculty Department of Chemistry delivered an exhaustive presentation regarding the obnoxious effects of substance consumption. He talked about the negative physical as well as psychological effects that one suffers after consuming drugs.

Dr. Majid-ul-Islam, faculty Department of Islamic Studies also delivered an enlightening presentation on the occasion. He deliberated on the topic from the religious point of view. He mentioned that even religious scriptures forbid from consuming narcotic substances.

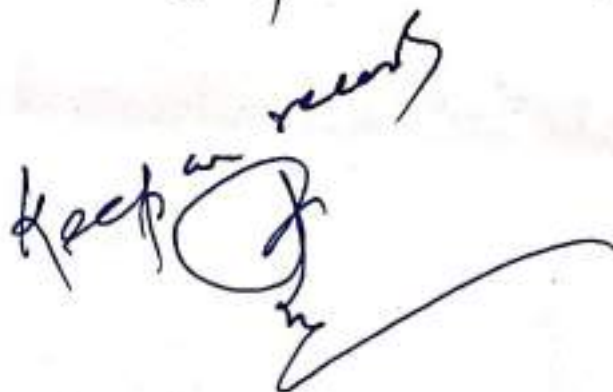

The programme concluded with the vote of thanks by Prof. Tariq Ahmad/Ganai. Uzma Asadullah, a student of BG 4th Semester moderated the programme. The programme was attended by over hundred students and light refreshments were served to all.

Seminar Report of Har Ghar Tiranga

On 27th July 2022, the NSS unit of the college in collaboration with Debates and Seminars Committee and the Department Of Political Science organised a seminar titled "Unity in Diversity: the Essence of India." The programme was organised under the banner Har Ghar Tiranga Campaign. Har Ghar Tiranga Campaign is an initiative of Government of India taken under the aegis of Azadi ka Amrit Mahotsav to mark the 75th anniversary of Indian independence. Through this initiative, citizens shall be encouraged to hoist the national flag at their respective residences.

The programme started with the introductory words of Prof. Tariq Ahmad Ganai who introduced the topic briefly among students. The introduction was followed by the keynote speech which was delivered by Dr. Basharat Nazir Reshi, faculty Department of Political Science. The keynote speaker deliberated on the topic at length where he talked about how people from different communities, with all the differences live with peace and love in India. He highlighted the fact that India is one of the excellent examples one can learn to understand the concept of unity in diversity. The keynote speaker ended his speech with an Urdu couplet:

Mazhab nahin sikhata aapas mein bair rakhna

Hindi hain hum watan mein, Hindustaan hamara

The programme was a success as it was attended by almost 100 students of the college. Prof. Tariq Ahmad Ganai moderated the programme.

Report of the seminar on World Nature Conservation Day

The Department of Environmental Science in collaboration with college NSS unit, Eco Club and Debates and Seminars Committee organised a seminar to celebrate the World Nature Conservation Day 2022 under the theme "Cut-down on Plastic Use". Every year, this day is celebrated on 28th of July to create awareness among people about the importance and significance of nature and natural resources and the conservation around them.

The programme started with the introductory words of Prof. Altaf Shah Syed who introduced the topic briefly among the audience. The keynote address for the occasion was delivered by Dr. Rayees Ahmad Magray, Assistant Professor Environmental Science. The keynote speaker threw light on the history of plastic, its increasing usage and all kinds of hazards it leads to. He mentioned that the excessive use of plastic can lead to serious repercussions related to environment, terrestrial and marine ecosystem as well as human health. Moreover, besides the traditional means of waste disposal viz. landfills, incineration and recycling; we need to find other effective ways of disposing it. The programme concluded with the vote of thanks by Dr. Mansoor Elahi, faculty Department of Kashmiri. The programme was attended by a good number of students.
